EDUCATIONAL DEVELOPMENT :

We are providing our services in marginal and backward areas of the Gujarat state. In these areas the importance of education is less. People are not so sensitized on education. Lack of education affects everybody's life in many aspects. Such reasons of the major issue are parents are not aware, poor financial conditions, high migration rate, etc. Dropout ratio is high specially in the case of girls. Organisation targeted on this issue in the various cultural and social programme organised on various occasions and events. In the seminars and personal meet organisations staff & volunteers motivates the people of the area towards the importance of education in this age.
